LEGISLATIVE COUNSEL'S DIGEST

AB 624, as amended, Coto. Foundations: diversity.

Existing law regulates the administration of nonprofit corporations and trusts that are deemed to be private foundations, as defined under federal tax law, and requires these private foundations to distribute their income for each taxable year so as not to subject the private foundation or its property to specified federal tax requirements. Existing law requires these entities to prepare specified annual reports.

This bill would require a private, corporate, or public operating foundation with assets over \$250,000,000 to collect specified ~~ethnic, gender, and sexual orientation~~ data pertaining to its governance and domestic grantmaking. The bill would require this information to include the racial and gender composition of the board of directors and staff of the foundation ~~;~~ *if applicable,*

the number of grants and ~~percentage of~~ grant dollars awarded to organizations *specifically* serving ethnic minority communities ~~and~~ , lesbian, gay, bisexual, and transgender communities, *and other underrepresented communities*; the number of grants and ~~percentage of~~ grant dollars awarded to organizations where 50% or more of the board members or staff are ethnic minorities ~~or are lesbian, gay, bisexual, or transgender,~~ ; and the number of grants and ~~percentage of~~ grant dollars awarded to predominantly low-income communities.
